

Membership Certificate

I hereby certify that the Company

SIEGENTHALERCONSULTING GMBH

with VAT **CHE 257 858 754** is part of the International Association of Concrete Drillers and Sawers, IACDS.

The non-profit entity International Association of Concrete Drillers and Sawers, IACDS, was founded in 1995 as a collective with the main objective of representing all companies and professionals that are linked to the concrete drilling and sawing industry, including the national associations, and through its International Committee also promotes interests of companies that operate in more than one country, both contractors and suppliers of the concrete drilling and sawing industry.

IACDS is constituted in accordance with Article 22 CE, subject to the Organic Law 1/2002, March 22, regulating the right of association, applicable norms and other valid bylaws and Statutes.

IACDS updated bylaws, filed with the register of the Ministry of Labour in the National Associations Register: group 1, section 1 and national number 608566.

The associated company, holder of the certificate is authorized to use the trademark of IACDS, in its various forms, as an associate member of right.

This certificate is valid from its date of issuance until December 31 of the year 2022.
